### **Busselton Water - Acting Up Scholarship Programme**

Once again, Busselton Water will be sponsoring several students this year. Details about applications will be published shortly.

### **Singing Lessons**

Emma Louise Nisbet will again be conducting singing lessons, both individual and group sessions. Please contact [emma@actinup.com.au](mailto:emma@actinup.com.au) for details and to book a place.

### **Adult Drama Classes**

A very popular session to enjoy the fun of acting and drama without the pressure of performing on stage. Emma leads participants through a range of activities, usually great fun, developing some basic theatre and drama skills. Great for self-confidence, expression and ordinary life-skills.

### **Auditions for "The Wizard of Oz" - to be performed in July school holidays**

Don't miss out! Details of audition sessions will be published soon.

### **Live Lighter Busselton Fringe Festival - February 14 - 23**

Mark your diary. The year, the Busselton Fringe Festival will feature a huge range of entertainment for young people and old. Look out for the Fringe programme in the local Busselton Dunsborough Times. Acting Up! present this very popular festival every year, and many of our young and older people will be again involved in plays and activities.
